From Opportunity to Growth: Why Choose Uzbekistan for Offshore Outsourcing

We cordially invite you to join our online workshop, showcasing IT Park Uzbekistan as a premier free economic zone for ITes and outsourcing companies. This event aims to inform North America ITes and outsourcing firms about the tax incentives and various benefits that Uzbekistan offers to create an ideal environment for thriving ITes and outsourcing businesses.

Why attend?

Uzbekistan is emerging as a prime outsourcing destination, with 45% of all ITes exports going to North America. Key exported services include IT services, BPO, Game Development, and the Creative Industry.

Here's why Uzbekistan should be on your radar:

- **Tax Incentives:** Discover 0% corporate, social, property, and land taxes, along with other forms of support for ITes and outsourcing companies.
- **Skilled Talent Pool:** Access a youthful, dynamic workforce from a population of 20 million working-age individuals, offering a diverse and multilingual talent base.
- **IT Visa:** Benefit from a multiple-entry visa valid for up to 3 years for investors, company founders, and IT professionals.
- **Ease of Doing Business:** Establish your company in just 3-6 weeks with comprehensive support to ensure a smooth setup.
- **Zero Risk Program:** Enjoy free office space for 12 months, along with reimbursements for employee salaries and professional development costs.

Don't miss this opportunity to explore Uzbekistan's potential and learn how your company can benefit from this dynamic market!
